

Power of Prosperity x 12

Issue 36

December 2008

Well, Power of Prosperity friends, we have come to the end of another great Unity prosperity book, Georgiana Tree West's *Prosperity's Ten Commandments*. As we look back over the past year's study, we hope you enjoyed it. We now have over 1500 readers.

Because we have completed the *Ten Commandments of Prosperity*, this issue is an overview of our last year at the home office. Many things have changed this year. We kicked off our strategic plan for moving Unity into the future. As a part of this plan we introduced two new programs. "Practice of Thriving" is a study of Edwene Gaines' book, *The Four Spiritual Laws of Prosperity*. "Practice of Thriving" is a free program you can download at www.thrivinginunity.org with the study guide and related materials. This, along with the "Thriving in Unity" program, can be done by individuals as well as ministries. You'll find both programs and the strategic plan at this site.

Next year we will base this eletter on Eric Butterworth's *Spiritual Economics*. The Prosperity Development Ministry Team, consisting of ministers, LTs and church laypeople will assist in writing this eletter in the next year. We appreciate their help and support. The eletter will arrive as always by the 15th of the month before it is due so you have it for your newsletters and sharing with friends.

Thank you all for joining me on this journey of prosperity and have a Merry Christmas and a Prosperous and Happy New Year.

Ideas for Practice:

- Look back over the Bible and Unity quotes provided in previous issues. You'll find an archive at <http://unity.org/index.php?src=gendocs&ref=POP12&category=Prosperity>. What do you see over all that time that speaks to you in particular? Is there a repeating theme(s) that seems to have a direct application to your life? Journal about this. Memorize a passage that is of particular meaning to you and take it with you throughout the day, reciting it as an affirmation.
- Discuss the overall themes and how they build upon each other with your prayer triad.
