In February, the joint boards of the Association and Unity School approved a motion to empower the CEO's of each organization to design approaches to integration of functions of the respective organizations. This is only preliminary and will require in-depth field discussion and input before any decisions are made. [Read the motion here.](#)

A message from Rev. Lei Lanni Burt: We have recently been contacted by a **Reverend Robert Nelsen** who has created some prayer chaplain activities which he promotes through a variety of websites. Although he makes a number of references to Light and Love Ministries, Rev. Lei Lanni Burt, and the Prayer Chaplain Program founded by Reverend Lei Lanni, we are not now nor do we plan to be affiliated with him or his activities in any way. If you have any questions about this, please don't hesitate to be in touch with us.

From Your Spiritual Social Action Ministry Team

ENVIRONMENTAL PRAYER FOR GULF OIL SPILL

We, the Unity Churches International EarthCare Ministry Team, observe and are one with all which manifests as the crude oil spill in the Gulf of Mexico. We are in prayer with those who have made their transition as a result of this mechanical malfunction. We are in prayer with those who are working to contain the ecological damage to our waters and our shores. We are in prayer for protection for all beings who make their lives in the seas. We affirm that the time has arrived that we humans open our hearts and minds to find more ecologically enlightened means to live in spiritual harmony with all of earth's wondrous expressions of life. Amen.
