"I am **in awe at the material covered** this week. It did not matter if we are newly appointed or have been doing this for 13+ years, **we all learned!**"

"...I loved how much **we were drawn out** and I felt so much love and support."

"Wow, I am amazed at all the information I have absorbed, yet it **flowed so well** that I never felt overwhelmed."

"**Inspiring, renewing**"

"I felt accepted, loved, supported by everyone. It was very **enabling and powerful.**"

Open to all who minister to children and teens, this 40-hour integrated study explores who our young people are today and how their spiritual journey can be empowered by Unity teachings and our Unity communities. What is the power of story to unlock and unleash the potential within each child? What are the best uses of facility, staffing and programming to create a dynamic, relevant ministry for young people?

Join us as we adventure into:

- Faith development and our image of God
- Life issues and Unity principles for thriving
- Lessons that come alive
- Sacred safety practices
- Bible and metaphysics for young people
