Comments on the 2010 Child/Teen Ministry Week

"Absolutely great!! I wish I could send all my teachers as well."

"Wide range of content—
Oh my!"

"Items I have heard discussed previously (story and questions) **landed in a new way.**"

"Comprehensive, woven together for what felt like a natural outcome. Liked touching in **with all age groups.**"

"Well-planned—fast paced.
I loved the way the days were broken up with activities."

"A lot of depth was presented and concepts were touched on that opened **limitless learning potentials.**"

Open to all who minister to children and teens, this 40-hour integrated study explores who our young people are today and how their spiritual journey can be empowered by Unity teachings and our Unity communities. What is the power of story to unlock and unleash the potential within each child? What are the best uses of facility, staffing and programming to create a dynamic, relevant ministry for young people?

Join us as we adventure into:

- Faith development and our image of God
- Life issues and Unity principles for thriving
- Lessons that come alive
- Sacred safety practices
- Bible and metaphysics for young people
