The student may be required to respond to critical questioning by a credo review committee.

Upon completion of this course, students will be able to:

1. Articulate personal beliefs as they apply to their vision of ministry in both verbal and written format, to both a Unity-based and non-Unity audience.
2. Identify how his/her credo applied to both their personal and professional life.
3. Compare and contrast credo with normative Unity beliefs in both content and expression, and mitigate any differences.
4. Integrate UnityWorldwide Ministries requirements if vision is for an alternative ministry.
